

HAMPSHIRE AND  
ISLE OF WIGHT

AIR AMBULANCE

# Your support could fund

**£62.45**

## Leatherman Raptor Shears

Exceptionally sharp shears used to speed up the removal of clothing, such as biker leathers, at the scene.

**£72.76**

## Petzl Head Torch

Used on night operations where light is poor or completely dark.

**£450**

## Flight Suit

Flight suits are essential in keeping crew visible when at a scene. They are fire retardant and protect the crew from the elements.

**£1,445**

## HEMS Crew Course

Five day training course for new HEMS Technical crew and doctors teaching and enhancing advanced medical skills.

**£1,800**

## Flight Helmet

This helmet keeps the crew in communication with each other. It can be fitted with night-vision goggles for after-dark missions.
